Network Management Policies

CARF Standard 13

206 NAC 6-005 and Behavioral Health Adult Service Definitions

Revised: RGB 11/13/17

■ **Entry/Access, Transitions, & Exit/Discharge Policy**

As a member of the Provider Network, providers shall follow an established criterion that addresses entry/access to services, transition to services, and exit/discharge from services. Such criteria shall outline a well-integrated continuum approach for consumers navigating services within the Provider Network.

See corresponding procedures for “Entry/Access, Transitions, & Exit/Discharge”
