

Additional Census Related Resources

- **Information for Kids**

Statistics in Schools Week- https://www.census.gov/programs-surveys/sis/2020census/sisweek.html?eml=gd&utm_medium=email&utm_source=govdelivery

- This weeklong series of fun classroom activities is provided by the U.S. Census Bureau's Statistics in Schools (SIS) program to educate students about the importance of the once-a-decade count. Includes a SIS take-home youth can take home to their parents that highlights the importance of being counted.

- **Trust & Safety Team-** https://2020census.gov/en/trust-and-safety.html?eml=gd&utm_medium=email&utm_source=govdelivery

- The U.S. Census Bureau's Trust & Safety Team is dedicated to protecting the 2020 Census from misinformation and disinformation. Its number one job is to ensure the 2020 Census is safe and easy to respond to.

- **America Counts-** <https://www.census.gov/library/stories.html>

- America Counts tells the stories behind the numbers (Census) in a new inviting way. It features stories on various topics such as families, housing, employment, business, education, the economy, emergency preparedness, and population. Contact our Public Information Office for media inquiries or interviews.

- **Videos** to inform the public about how to complete the census questionnaire.
