■ Financial Eligibility Policy

The Department of Health & Human Services (DHHS), Division of Behavioral Health (DBH) has established financial eligibility standards for consumers of behavioral health services. In accordance with these standards, Region V Systems (when a direct service provider) and its Network Providers will assess the financial eligibility of consumers. A schedule of fees and co-pays, as directed by Region V Systems, will be assessed to eligible consumers utilizing community-based health services.

See corresponding procedures for “Financial Eligibility”
