Network Management Policies

CARF Standard 7

206 NAC 4-001.03J

Revised: RGB 11/13/17

■ Ineligible to Participate in Network Policy

Region V Systems shall communicate in writing to prospective applicants when there is an opportunity to join the Provider Network. Once applications are reviewed, ineligible providers shall be informed in writing as to the reasons they are ineligible and given information about resources or actions needed to improve eligibility, if appropriate.

See corresponding procedures for “Ineligible to Participate in Network”
