

## Region V Systems

Network Management Policies

CARF Standard 8

206 NAC 4-001.03A-J1

206 NAC 5

Revised: RGB 11/13/17

### ■ Network Provider Contracts Policy

---

Region V Systems shall enter into written contracts with each Network Provider to ensure that all Network Providers are clear about specific, current requirements for participating in the Provider Network.

Contracts shall include a requirement that the Network Provider submit data in relationship to established targets as necessary to evaluate Network and contract performance.

**See corresponding procedures for “Network Provider Contracts”**
