

Region V Systems' **Nebraska Strong Recovery Project** assists individuals and communities in the 16 counties of southeast Nebraska who are impacted by the COVID-19 Pandemic. Our focus is to provide community-based outreach and psychoeducational services. This project will support short-term interventions that involve assisting pandemic disaster survivors in understanding their current situation and reactions, mitigating stress, developing coping strategies, providing emotional support, and encouraging linkages with other individuals and agencies that help in the recovery process.

**WE NEED HELP to immediately staff several full-time positions!** These are temporary positions with work assignments lasting through December 2021.
