Project Narrative

Attach a project narrative no longer than 10 pages. You must indicate the question number above each of your responses and respond in the order provided below. You may not combine questions or refer to another section of the project narrative in your response. Submissions that do not include response to all questions and/or do not indicate questions numbers may not be considered.

- * 1. Provide a brief description of the applicant's history, mission, ownership, and organizational structure. Include any experience the organization has in providing the proposed project, employee turnover rate, and tenure of key leadership positions.
- * 2. Provide a brief project description, including a minimum of 3 project SMART (specific, measurable, achievable, relevant, and time bound) goals, desired outcomes (target), and vision for success.
- * 3. Identify any employee positions that will work on this project. If an employee is already employed by the organization, include a short description of their expertise to work on the proposed project.
- * 4. Describe the target population/focus of your project. How are the activities of the project with these populations aimed at addressing racial, ethnic, or other disparities?
- * 5. Describe the key activities of the project. Please include your organization's strategy for identification, outreach, and systems of distribution for the target population.
- * 7. Describe the procedures for direct consumer involvement in the project (if applicable). Including an explanation of:
 - a) How potential consumers will be informed about the program and consumer rights.
 - b) How meaningful participation of consumers will be incorporated into the development, evaluation, and ongoing modifications of the program.
- * 8. Provide a brief narrative presenting evidence the project can be sustained beyond the grant period.
